

SURETRACK

SURETRACK is a system specifically designed for small to large sized producers with workflow enhancements that promote fast application and policy processing.

EASY TO USE SAVES YOU TIME - The time that your staff spends following up new business and renewals is dramatically reduced with the technological advances included in the product. Paper handling is minimized and follow-up is automatically done by the system.

REPORTS – All reports are produced in Word, Excel, PDF formats, which allow you to tailor the results. In addition you are presented with a vast array of choices per report, which you can save as a template to further enhance reporting requirements.

MARKETING –Flexible “targeted” letters allows you to reach specific niches and increase cross-selling capabilities effortlessly.

CUSTOMER PAYMENT TRACKING – With **Suretrack** you can track your customer payments thus providing a better control of actual policy balances and commissions thereof.

COMPANY COMMISSIONS PAYMENT TRACKING – With **Suretrack** you can track your commissions effortlessly. The system keeps track of due balances and their age.

COMMISSION PAYMENTS– With **Suretrack** you can pay and keep track of commission’s payments to others including other producers and sales Executives. In addition you can pay a fee to your CSR’s based on their productivity.

IMAGING– **Suretrack** integrated imaging capabilities that allow you to keep a true paperless electronic file of your customers.

PARAMETER BASED- Most of the systems parameters can be modified, which means that it can be tailored to your specific business needs. If you want to create new business segments or distributions thereof, there is no need to call support, with a few clicks you can arrange your customer base the way you like it.

WEB ENABLED FROM DAY ONE- Since it is Web based, you can view customer information from anywhere you can access the Internet.

PRICING - The price of **Suretrack** is tailored to your business size so you can start at a comfortable price range that suite your true needs. Base prices are a fraction of the cost of other competing systems that don’t include the features provided by **Suretrack**. Whether you are a new startup business or an ongoing concern, **Suretrack** can help improve your sales and reduce cost by allowing you and your personnel more free time to service the customer and promote new sales.
